In his first full-length concert in his hometown since his appearance on NBC's "The Voice," Austin Giorgio and his five-piece jazz band will perform songs you were not able to hear him sing on the popular TV show, interwoven with stories about his incredible journey. One of today's hottest young jazz artists, Austin Giorgio blends the arrangements of yesterday and the trends of modern music. **Blake Shelton** has been quoted saying: "There's nobody else, not only on this show, but really out there carrying the torch for what you're doing musically."
